### **Notice of Citizen Participation Hearing**

To comply with Community Development Block Grant requirements, the City of Springfield will hold a citizen participation hearing at 6:30 PM on July 6, 2023 at the Springfield City Hall. The purpose of the hearing is to give the public the opportunity to comment on the progress of the Springfield Water Plant Project. The meeting is open to the public and interested persons are encouraged to ask any questions or express any concerns they may have regarding the project. For more information, please contact the city office at 369-2309.

Please bill all costs and provide an Affidavit of Publication to the City of Springfield

### **PUBLIC NOTICE**

The City of Springfield hereby announces its proposed Disadvantaged Business Enterprise (DBE) participation goal of 0.5% for FAA-funded contracts/agreements. The proposed goal pertains to federal fiscal years 2023 through 2025 (10/1/2022 - 9/30/2025). A teleconference will be held on July 26, 2023, at 9:00 A.M. for the purpose of consulting with stakeholders to obtain information relevant to the goal-setting process. Call in instructions: Dial 712-472-8175, then when prompted, enter the designated access code 1470 followed by the # sign.

Comments on the DBE goal will be accepted for 30 days from the date of this publication and can be sent to the following:

Scott Kostal City of Springfield, Mayor 605 8<sup>th</sup> St PO Box 446 Springfield, SD 57062 1(605) 369-2310 scott.kostal@springfieldsd.gov

# STATE OF SOUTH DAKOTA DEPARTMENT OF TRANSPORTATION DIVISION OF FINANCE & MANAGEMENT OFFICE OF AIR, RAIL, AND TRANSIT AGREEMENT FOR PROJECT NO. 3-46-0052-012-2023

This Agreement is made and entered into by and between the State of South Dakota, acting by and through its Department of Transportation, referred to in this Agreement as the "STATE," and the city of Springfield, South Dakota, referred to in this Agreement as the "SPONSOR."

### 1. BACKGROUND:

- A. The STATE and the SPONSOR have entered into an agency agreement for the purpose of establishing, constructing, and maintaining an airport on a portion of Section Eleven (11) and Fourteen (14), of Township Ninety Three North (93N), Range Sixty West (60W) of the Fifth (5<sup>th</sup>) Prime Meridian, Bon Homme County, South Dakota, referred to in this Agreement as the "Airport."
- B. The SPONSOR requested financial assistance from the STATE for the development of the Airport.
- C. The SPONSOR acquired satisfactory title to the property on which the Airport will be located and indicated the SPONSOR'S desire to use the same for an Airport.
- D. The SPONSOR proposes the development of the Airport will consist of the following described items, referred to in this Agreement as the "Project":

Reconstruct Runway 15/33 (3,500'x60'), Reconstruct Runway 15 Turnaround Taxiway (450'x35'), Reconstruct Taxiway A (300'x35'), Reconstruct Apron (5,000 S.Y.), and Reconstruct Taxilane (500'x25') - Phase 1: Design

E. As may be applicable, the "Conditions" and "Assurances" contained in the Airport Improvement Program (AIP) Grant Agreement for Project No. **3-46-0052-012-2023** are included in and incorporated into this Agreement by reference.

NOW, THEREFORE, in consideration of these facts and the mutual covenants contained in this Agreement, the Parties agree as follows:

### 2. TERM

The effective date of this Agreement is **May 1, 2023**. This Agreement will end four (4) years from the date of signature by the STATE.

### 3. PAYMENT

A. Pursuant to and for the purposes of carrying out the provisions of South Dakota Codified Law (SDCL) § 50-7-15, the STATE will share in the cost of the Project in the amount of Five percent (5%) of the total eligible Project costs, but in no event will the STATE'S <u>TOTAL SHARE</u> exceed the amount of Thirteen Thousand Fifty Eight Dollars and No Cents (\$13,058.00). The STATE will determine eligible costs in the same manner as for the Federal Aviation Administration (FAA) Grant Agreement Project Number 3-46-0052-012-2023. The STATE will pay the STATE'S share of the eligible Project costs from the STATE AERONAUTICS FUND. The STATE will make progress payments to the

SPONSOR up to 90% of the STATE'S total share of eligible Project costs listed in this section. Once the STATE'S share of eligible Project costs has reached 90% of the approved STATE share listed in this section, the STATE will withhold the remaining 10% of eligible Project costs until the FAA has approved the Quality Closeout Report. The STATE will pay the remaining 10% of the STATE'S share of eligible Project costs to the SPONSOR upon notification of the FAA'S approval of the Quality Closeout Report.

- B. Eligible costs for this Agreement will be as indicated in the AIP Grant as determined by the FAA.
- C. The SPONSOR will pay subcontractors or suppliers within fifteen (15) days of receiving payment for work that is submitted for progress payment by the STATE. If the SPONSOR withholds payment beyond this time period, the SPONSOR will submit written justification to the STATE, upon request. If it is determined that a subcontractor or supplier has not received payment due without just cause, the STATE may withhold future estimated payments or may direct the SPONSOR to make such payment to the subcontractor or supplier.

### 4. TERMINATION

- A. For Convenience. The STATE may, with the concurrence of the SPONSOR, terminate and cancel this Agreement if both parties agree, in writing, that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds.
- B. For Cause. The STATE may, by written notice to the SPONSOR, terminate the Project and cancel this Agreement for any of the following reasons:
  - i. The SPONSOR takes any action pertaining to this Agreement without the STATE'S approval when, under the terms of this Agreement, the STATE'S approval is required.
  - ii. The commencement, prosecution, or timely completion of the Project by the SPONSOR is, for any reason, rendered improbable, impossible, or illegal.
  - iii. The SPONSOR is default under any provision of this Agreement.

### 5. SPONSOR ASSURANCES

- A. The SPONSOR will operate the Airport as such for the use and benefit of the public. The SPONSOR will operate and maintain the Airport as a public use facility for a minimum of twenty (20) years from the date of this Agreement.
- B. The SPONSOR will not exercise, grant, or permit any exclusive right for the use of the Airport. This provision will not be construed to prohibit the granting or exercising of an exclusive right for the furnishing of non-aviation products and supplies or any services of a non-aeronautical nature.
- C. The SPONSOR will suitably operate and maintain the Airport and all facilities on or connected with which are necessary for airport purposes. The SPONSOR will not allow facilities on Airport property which would interfere with the SPONSOR'S use for aeronautical purposes in a safe manner. Essential facilities, including night lighting systems, when installed, will be operated in such a manner as to assure their availability to all users of the Airport.
- D. Insofar as is within the SPONSOR'S powers, the SPONSOR will prevent the use of any land either within or outside the boundaries of the Airport in any manner, including construction, which would create a hazard to the landing, taking-off, or maneuvering of aircraft at the Airport, or otherwise limit the usefulness of the Airport. The SPONSOR will notify the STATE as soon as any information is known which may cause or create such hazards to the Airport.

XI.C.

E. The SPONSOR will not enter into any transaction which would operate to deprive the SPONSOR of any of the rights and powers necessary to perform any or all of the covenants made in this Agreement, unless by such transaction the obligation to perform all such covenants is assumed by another public agency. If an arrangement is made for management or operation of Airport by an agency or person other than the SPONSOR or an employee of the SPONSOR, the SPONSOR will reserve sufficient powers and authority to ensure that the Airport will be operated and maintained in accordance with these covenants.

### 6. SPECIAL CONDITIONS

The SPONSOR must submit any proposed change affecting the Project to the STATE, in writing, for the STATE'S approval prior to any change.

### 7. SUBCONTRACTORS

The SPONSOR will include provisions in its subcontracts requiring its subcontractors to comply with the applicable provisions of this Agreement, to indemnify the STATE, and to provide insurance coverage for the benefit of the STATE in a manner consistent with this Agreement. The SPONSOR will cause its subcontractors, agents, and employees to comply with applicable federal, state, and local laws, regulations, ordinances, guidelines, permits, and requirements and will adopt such review and inspection procedures as are necessary to assure such compliance. Failure to comply with federal requirements related to right-of-way, environmental clearances, utilities, contract provisions, and the bid letting process could jeopardize future federal funding.

### 8. AMENDMENT

This Agreement may not be amended, except in writing, which writing will be expressly identified as a part of this Agreement and be signed by an authorized representative of each of the parties to this Agreement.

### 9. INDEMNIFICATION

The SPONSOR will indemnify the STATE, its officers, agents, and employees against any and all actions, suits, damages, liability, or other proceeding which may arise as a result of the SPONSOR performing services under this Agreement. This section does not require the SPONSOR to be responsible for or defend against claims or damages arising solely from acts or omissions of the STATE, its officer, agents, or employees.

### 10. FUNDING AVAILABILITY

This Agreement depends upon the continued availability of appropriated funds and expenditure authority from the Legislature for this purpose. If for any reason the Legislature fails to appropriate funds or grant expenditure authority, or funds become unavailable by operation of law or federal funds reductions, the Agreement may be terminated by the STATE. Termination for any of these reasons is not a default by the STATE nor does it give rise to a claim against the STATE.

### 11. AUDIT

The SPONSOR will maintain an accurate cost accounting system for all costs incurred under this Agreement with costs clearly identified with activities performed under this Agreement. All Project charges will be subject to audit in accordance with the STATE'S current procedures and 2 CFR Part 200.

### 12. EXAMINATION OF RECORDS

Upon reasonable notice, the SPONSOR will allow the STATE or U.S. Department of Transportation representatives to examine all records of the SPONSOR related to this Agreement during the SPONSOR'S normal business hours. The SPONSOR will keep all such records for a period of three (3) years after the date of final payment by the STATE under this Agreement and all other pending matters are closed.

### 13. SINGLE AGENCY AUDIT

If the SPONSOR expends Seven Hundred Fifty Thousand Dollars (\$750,000.00) or more in federal funds during any SPONSOR fiscal year covered, in whole or in part, under this Agreement, the SPONSOR will be subject to the single agency audit requirements under the U. S. Office of Management and Budget (OMB) regulations, found at 2 CFR Part 200 subpart F. If the SPONSOR expends less than Seven Hundred Fifty Thousand Dollars (\$750,000.00) in federal funds during any SPONSOR fiscal year, the STATE may perform a more limited program or performance audit related to the completion of Agreement objectives, the allowability of services or costs and adherence to Agreement provisions.

### 14. AMERICANS WITH DISABILITIES ACT

The SPONSOR will provide services in compliance with the American with Disabilities Act of 2016, and any amendments.

### 15. DEBARMENT

The SPONSOR certifies, by signing this Agreement, that neither the SPONSOR nor the SPONSOR'S principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Agreement by any federal department or agency.

### 16. CERTIFICATION REGARDING LOBBYING

- A. The SPONSOR certifies, to the best of the SPONSOR'S knowledge and belief, that no federal appropriated funds have been paid or will be paid, by or on behalf of the SPONSOR, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a federal contract, grant, loan, or cooperative agreement. If any funds other than federal appropriated funds have been paid or will be paid to any of the above mentioned parties, the SPONSOR will complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- B. The SPONSOR will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients will certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification will be subject to a civil penalty of not less than \$10,000.00 and not more than \$100,000.00 for each such failure.

### 17. COMPLIANCE

In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the SPONSOR is encouraged to:

II.C.

- A. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while driving when performing any work for or on behalf of the federal government, including work relating to a grant or subgrant.
- B. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
  - i. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and,
  - ii. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.

### 18. NOTICE

Any notice or communication required under this Agreement will be in writing and sent to the following addresses:

South Dakota Department of Transportation Attn: Program Manager 700 East Broadway Avenue Pierre, South Dakota 57501

City of Springfield, South Dakota Attn: Mayor 605 8<sup>th</sup> Street Bon Homme, SD 57062

### 19. SIGNATURE AUTHORITY

The SPONSOR has designated its Mayor as the SPONSOR'S authorized representative and has empowered the Mayor with the authority to sign this Agreement on behalf of the SPONSOR. A copy of the SPONSOR'S Commission minutes or resolution authorizing the execution of this Agreement by the Mayor as the SPONSOR'S authorized representative is attached to this Agreement as **Exhibit A**.

This Agreement has been executed by the STATE and the SPONSOR acting by and through their duly authorized representatives.

## Resolution <u>2023-02</u> of Local Commitment

Whereas, the City of Springfield has identified the need to reconstruct segments of Eleventh Street and Ash Street; and

Whereas, the City of Springfield is eligible for Department of Transportation Community Access Program funds; and

Whereas, the City of Springfield does not have adequate funding available to complete the project without assistance;

Therefore Be It Resolved that the City of Springfield will seek assistance through the South Dakota Department of Transportation Community Access Program in accordance with all program requirements;

Be It Further Resolved that the City of Springfield will be responsible for all engineering expenses associated with the project, and a minimum of twenty percent (20%) of all construction costs;

And Be It Further Resolved that the City of Springfield will be responsible for all maintenance and repairs to the route after the construction of the project;

And Be It Further Resolved that the Mayor of the City of Springfield be authorized to execute the Community Access Program application.

Dated 1	this <u>oth</u> day of July 2023.
Signed:	
-	Scott Kostai, Mayor
Attest:	Amanda Larson, Municipal Finance Officer
